Workplace bullying is a serious problem that can have devastating consequences for individuals and organizations. Bullies can create a hostile work environment that makes it difficult for employees to perform their jobs effectively. They can also cause employees to experience stress, anxiety, depression, and even PTSD. In some cases, bullying can even lead to physical violence.

If you are being bullied at work, it is important to know that you are not alone. Millions of people experience workplace bullying each year. And while it can be difficult to stand up to a bully, there are things you can do to protect yourself and stop the bullying.

In her book **Bullies Never Stop**, Dr. Barbara Coloroso provides invaluable insights into the psychology of bullies, the tactics they use, and the devastating impact bullying can have on individuals and organizations. She also offers practical advice and proven strategies for defeating bullies and creating a bully-free workplace.

**Bullies Never Stop** is an essential resource for anyone who has been bullied at work, or who wants to prevent bullying from happening in the first place. This book will help you to understand the dynamics of bullying,

develop strategies for dealing with bullies, and create a more positive and productive work environment.
