

My Fight to Blow the Whistle and Expose Fast and Furious: The True Story of Guns, Lies, and the Betrayal of the American People

By Eric Holder and Jason Leopold

In 2010, the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) launched Operation Fast and Furious, a controversial gun-running operation that allowed Mexican drug cartels to Free Download thousands of firearms from American gun dealers. The operation was intended to track the weapons and apprehend the cartels, but it quickly spiraled out of control, resulting in the deaths of hundreds of people, including U.S. BFree Download Patrol Agent Brian Terry.

Eric Holder, the U.S. Attorney General at the time, has been accused of overseeing the operation and then covering it up. In his new book, "My Fight to Blow the Whistle and Expose Fast and Furious," Holder tells his side of the story, arguing that he was not involved in the operation and that he did not cover it up.

The Unarmed Truth: My Fight to Blow the Whistle and Expose Fast and Furious by John Dodson

Holder's book is a fascinating and important read. It provides a firsthand account of one of the most controversial law enforcement operations in recent history. Holder's writing is clear and concise, and he does a good job of explaining the complex legal and political issues involved in the case.

One of the most striking things about Holder's book is his insistence that he was not involved in Operation Fast and Furious. Holder claims that he was not aware of the operation until after it had been launched, and that he did not approve it.

Holder's claims are contradicted by the testimony of other witnesses, including ATF whistleblowers who have testified that Holder was briefed on the operation and that he approved it. However, Holder maintains that he is telling the truth, and he challenges his critics to produce evidence to the contrary.

Whether or not Holder was involved in Operation Fast and Furious, there is no doubt that he was aware of the operation and that he did not do enough to stop it. Holder has admitted that he should have done more to oversee the operation, and he has apologized for the deaths that resulted from it.

Holder's book is a valuable contribution to the public debate about Operation Fast and Furious. It provides a firsthand account of the operation from the perspective of the Attorney General who was in charge of it. Holder's book is a must-read for anyone who wants to understand the full story of Operation Fast and Furious.
