Pakeha And The Treaty is a groundbreaking book that explores the complex relationship between Pakeha (New Zealanders of European descent) and the Treaty of Waitangi. This book is essential reading for all New Zealanders who want to understand the history of their country and the challenges facing it today.

The Treaty of Waitangi was signed in 1840 between the British Crown and Maori chiefs. It is considered to be the founding document of New Zealand and has been a source of ongoing debate and conflict ever since it was signed. Pakeha And The Treaty explores the different interpretations of the Treaty and the impact it has had on Pakeha-Maori relations.

The book is divided into three parts. The first part provides a historical overview of the Treaty and its aftermath. The second part examines the different ways that Pakeha have understood and interpreted the Treaty. The third part explores the challenges that Pakeha face in living up to the principles of the Treaty today.

Pakeha And The Treaty is a challenging and thought-provoking book. It is a must-read for all New Zealanders who want to understand the history of their country and the challenges facing it today.
