The Rudimental Foundation

At the heart of 'The Drag Around the Drum Set' lies an unwavering focus on rudiments, the building blocks of drumming technique. Famularo

meticulously breaks down each rudiment, providing clear and concise explanations accompanied by detailed exercises. From single-stroke rolls to paradiddles and beyond, you'll gain a thorough understanding of the essential rudiments that form the foundation of all great drumming.

Drag Technique Mastery

The book's title, 'The Drag Around the Drum Set,' highlights the importance of mastering the drag technique. Famularo dedicates a significant portion of the book to teaching this essential technique, providing invaluable insights and exercises to help you develop a smooth and consistent drag. By incorporating the drag into various rudiments and patterns, you'll unlock a world of rhythmic possibilities and enhance your overall drumming control.

Coordination and Dexterity Development

One of the key benefits of 'The Drag Around the Drum Set' is its emphasis on developing coordination and dexterity. Famularo presents a series of progressive exercises that gradually increase in complexity, challenging you to improve your hand-foot coordination and overall control behind the drum set. By diligently practicing these exercises, you'll notice a significant improvement in your coordination and ability to execute complex rhythms with ease.
