## Unveiling the Treasures of the Past: A Historical Tapestry

Nestled in the heart of Southern India, Hyderabad holds a rich and storied past that dates back centuries. From its humble beginnings as a small village to its prominence as a major center of trade and culture, Hyderabad has witnessed the rise and fall of empires, leaving behind a tapestry of architectural wonders that reflect its diverse heritage.

The city's most iconic landmark, the Charminar, is a testament to the architectural prowess of the Qutb Shahi dynasty. Built in 1591, this four-minaretted structure has become a symbol of Hyderabad and is a must-visit for any visitor.

Exploring the labyrinthine lanes of the Old City, one can discover hidden gems tucked away from the bustling streets. The Mecca Masjid, one of the largest mosques in India, is a masterpiece of Islamic architecture with intricate carvings and a serene ambiance.

Hyderabad is also home to the Golconda Fort, a magnificent stronghold that once housed the legendary Koh-i-Noor diamond. With its imposing walls and sprawling ramparts, Golconda Fort offers a glimpse into the city's military history and the ingenuity of its builders.

Embracing Innovation and Progress: Unveiling the Future
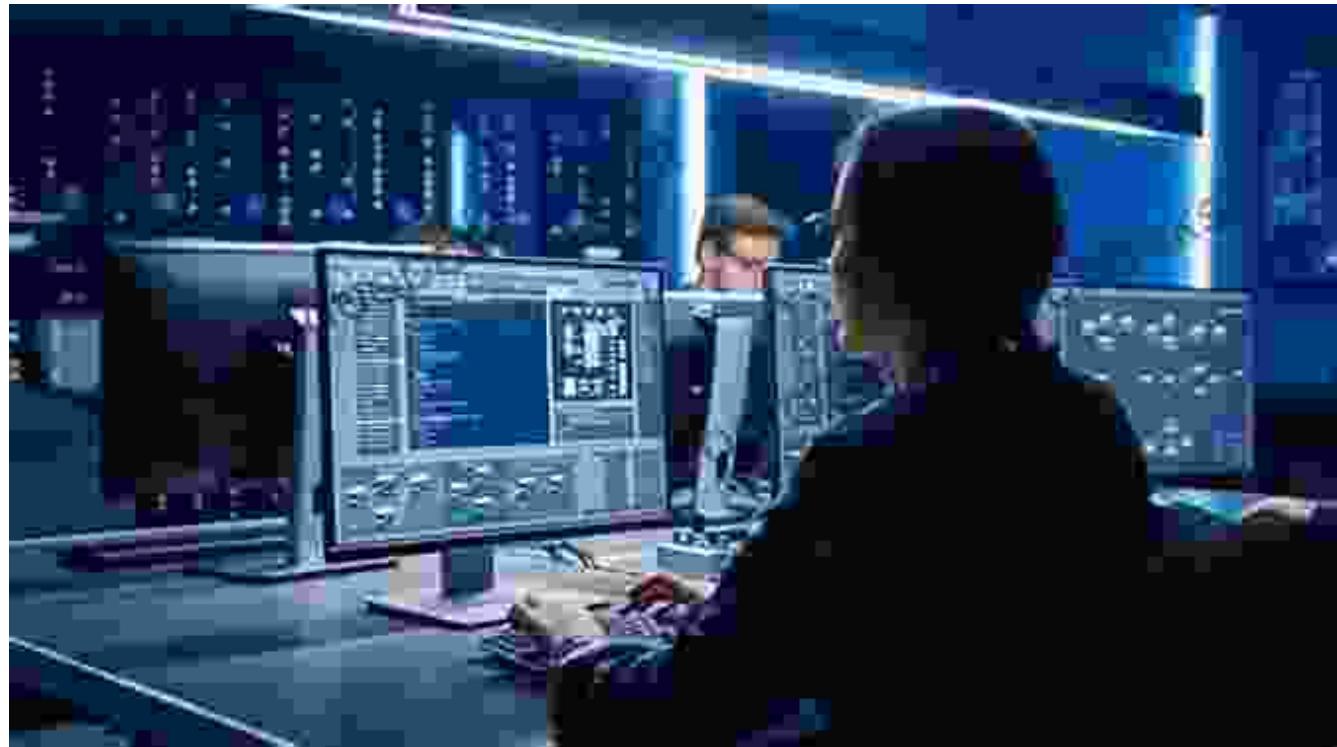

While Hyderabad cherishes its rich past, it also embraces innovation and looks towards the future. The city is a hub for technology and research, with a thriving startup ecosystem and a growing number of technology giants setting up their presence.

The 15th International Conference on Information Systems Security (ICISS 2024) will be held in Hyderabad from December 16-20, 2024, reflecting the city's commitment to innovation and progress. This prestigious conference brings together leading researchers, industry experts, and policymakers from around the world to explore the latest advancements in cybersecurity.

ICISS 2024 will provide a platform for knowledge exchange, collaboration, and networking. Attendees will have the opportunity to hear from renowned speakers, engage in cutting-edge research discussions, and participate in interactive workshops and demonstrations.

The conference will focus on emerging cybersecurity threats, best practices for protecting critical infrastructure, and the role of technology in ensuring a secure digital future. By fostering dialogue and collaboration, ICISS 2024 aims to contribute to a safer and more secure cyberspace for all.

A Catalyst for Progress: Shaping the Future of Cybersecurity

ICISS 2024 is an unmissable event for anyone involved in the cybersecurity field. By bringing together experts from academia, industry, and government, the conference creates a unique opportunity for knowledge sharing, collaboration, and shaping the future of cybersecurity.

Attendees will have the chance to network with peers, establish new connections, and foster partnerships that can lead to innovative solutions and groundbreaking research. The conference will also provide a platform for young researchers to showcase their work and connect with potential mentors and collaborators.

Through its focus on innovation, collaboration, and knowledge exchange, ICISS 2024 aims to be a catalyst for progress in the field of cybersecurity.

The insights and connections forged at the conference will have a lasting impact on the development of effective cybersecurity strategies and the creation of a more secure cyberspace.

Join the ICISS 2024 Community: Be Part of the Future

CATEGORY	DOMESTIC (Rp.)	INTERNATIONAL ($ USA)
Regular	3,000,000.00	300.00
Member IEEE	2,750,000.00	250.00
Member APIC	2,350,000.00	200.00
Student	2,350,000.00	175.00
Student & Member IEEE	2,250,000.00	150.00
Participant	1,250,000.00	100.00

Don't miss out on the opportunity to be part of this groundbreaking event. Register now to secure your spot at ICISS 2024 and join the global community of cybersecurity experts, researchers, and innovators.

Together, let us unveil the past, forge the future, and shape a more secure cyberspace for all.

Important Dates:

* Abstract submission deadline: [date] * Notification of acceptance: [date] * Camera-ready paper submission deadline: [date] * Conference dates: December 16-20, 2024
