In 2004, newlyweds Amy and Marine Cpl. Jason Dunham were stationed in Iraq when Jason was killed in action. Amy was devastated, but she found the strength to carry on and tell Jason's story in her memoir, *Wake Him Up One Marine*.

*Wake Him Up One Marine* is a raw and honest account of Amy's journey through grief, loss, and redemption. She writes about the pain of losing her husband, the challenges of being a young widow, and the strength she found in her faith and her love for Jason.

Amy's story is a powerful reminder of the sacrifices that our military families make. It is also a story of hope and healing, and a testament to the power of love.

Here is an excerpt from *Wake Him Up One Marine*:

***“I remember the day I found out Jason was killed like it was yesterday. I was sitting at home, watching TV, when the phone***

***rang. It was Jason's commanding officer. He told me that Jason had been killed in action.***

***I couldn't believe it. Jason was so full of life. He was always laughing and joking. He was the love of my life.***

***I was in shock. I didn't know what to do. I just sat there on the couch, staring at the wall.***

***Eventually, I got up and went to the bedroom. I sat down on the bed and started to cry. I cried for hours.***

***I couldn't believe that Jason was gone. I didn't know how I was going to go on without him.”***

Amy's story is one of heartbreak and loss, but it is also a story of hope and redemption. She found the strength to carry on and tell Jason's story, and she is now an advocate for military families.

*Wake Him Up One Marine* is a must-read for anyone who has been touched by war. It is a powerful and unforgettable story of love, loss, and redemption.
