

When the World Becomes Female: A Vision for a More Equal and Just Future

In her groundbreaking book, *When the World Becomes Female*, renowned anthropologist and feminist researcher Dr. Gudrun Schäfer argues that the key to creating a more just and sustainable world lies in embracing feminine principles and values.

Drawing on her extensive research and personal experiences, Dr. Schäfer explores the ways in which traditional patriarchal structures have led to the degradation of our planet and the oppression of women and marginalized groups. She offers a powerful vision for a future in which feminine values such as compassion, collaboration, and sustainability are at the forefront of our societies.
